THE HAWK

1952

OUR SCHOOL

# Dedication

---

As in the past we, the Senior Class of 1952, are dedicating THE HAWK to the persons of our choice. We have humbly selected our class sponsors--Mrs. Viola P. Blair and Mr. Frederick I. Hawkins, who have patiently worked with us during our eventful Senior year.

Mrs. Blair is a graduate of Virginia State College, where she received her A.B. degree in English; and she has also taken graduate work at the University of Pennsylvania and Virginia State College. Mrs. Blair has taught in Culpeper for eight years.

Mr. Hawkins is a graduate of Livingstone College and has taken graduate work at New York University. He is a major in social studies and has taught school at Carver four years.

With profound gratitude to Mrs. Blair and Mr. Hawkins, we dedicate this Yearbook in remembrance of their guidance and inspiration that have led us thus far.

---

# Class History

On October the first, in the year of nineteen forty-eight, one hundred and seventy-nine ambitious Freshmen entered the spacious new building of the George Washington Carver Regional High School. The step from elementary school to high school was frightening enough-but our class, the first Freshmen group to enter the newly erected building, felt, perhaps subconsciously, that our debt to ourselves as well as to society was even greater.

Along the way some of us failed; that is, all of us were not able to even complete our Freshmen year. But those of us remaining were well represented on the honor roll, in the choir, the dramatic club, and the band. In our present Senior class we have in our advanced band James Porter, Margaret Price, Maria Lewis, Marshall Jones, Roberta Young, Lucille Ferris, Bertha Walker, Hebert Young, Beaura Jackson and Evelyn Jenkins (majorette). In our choral group we have Ruth Phillips, Marshall Jones, Mary Colbert, Virginia Christian, Bertha Walker, Maria Lewis, Roberta Young, Evelyn Jenkins, Beaura Jackson, Catherine Dennis, and Annette Lovell.

During that year several members of our class appeared in a pageant that was written and directed by Mrs. Carrie Michie, a faculty member. These class members were Hugh Ferguson, John Gales, Richard Slaughter, Cynthia Smith, Thelma Mickey, Deloris Shirley and Catherine Dennis.

The Sophomore year is often considered the up-hill year, so we continued to strive. Sometimes the going was "tough", but with the aid and guidance of our instructors we happily became Juniors.

As Juniors we were represented in dramatics by Johnnie Yaeger, Iris Mathews, John Barbour, McKinly Dennis, Robert Johnson, Polly Shelton, Richard Slaughter, Valma Kilby, Mable Miller, and Havanna Johnson, who appeared in the presentations of "Little Miss Somebody" and "Society Rides Again." Valma Kilby portrayed the main character in "Society Rides Again".

We were not forgotten in the realm of athletics, for that year we won the intramural basketball award.

Our own Bertha Walker and James Porter represented us in an interracial talent contest. They won first and second prizes respectively and are yet outstanding students in music.

This, our triumphant Senior year is before us, and the sixty-nine of us are continuing to aspire. Humbly we take a backward glance, for we know our true History is yet to be written.

## ALMA MATER

Carver High School! Carver High School!  
Sing we now our songs of praise.  
Song of praise and adoration  
With our voice now we raise.  
Striving onward, striving upward;  
Striving with a heart so true.  
Carver High School! Carver High School!

As we go to fight life's battle,  
May we all thy teachings bear;  
So that we may all work to be like he  
Whose name thy front doth bear.  
May we move upon life's road  
To bear our hardships trials too.  
Carver High School! Carver High School!  
We'll fore'er be true to you.

Carver High School! Alma Mater!  
May we ever, ever be;  
A great service to thee.  
Still now wearing thy dear colors  
Of maroon and golden hue.  
Carver High School! Alma Mater!  
We'll fore'er be true to you.

Coda\_\_\_\_\_

Ever be true to you.

# Class Prophecy

Gazing into my crystal ball, I see the following events taking place:

Margaret "Pig" Price is now the owner of a large pig farm in the Midwest. Her foreman is Duke Jackson.

On your next trip to Culpeper don't forget to stop at the Lord Taylor Hotel, which is managed by Andrew Taylow and his charming wife, the former Catherine Dennis.

The latest recording by James Porter and his combo, with Evelyn Jenkins as vocalist, will be heard in the Blue Room at the Marshall Jones Hotel.

Roscoe Ford is still driving the Number 15, while his lovely wife, the former Valma Kilby, is home raising chickens and children.

The pastor of the Mount Zion Baptist Church of New York is Hugh Ferguson. Herbert Young, an old classmate of his, is head deacon.

Now appearing at the Club Ebony in Philadelphia, doing a song and dance act, which she calls "The Chicken Hop", is none other than our own Genevieve Pendleton.

Two old pals of mine, Jessie Smith and Vera Grasty, are still following the Army around. They have been to almost all of the important places in the world.

Dora Jameson and Roger "Sonnie" Ford are running a nursery school in Culpeper; most of the children are theirs.

The Lewis Family Singers have added a new member to their group. He is Buster Reed, the husband of Maria Lewis.

On television you will see Iris Mathews and Carroll Bolds playing the title roles of Maggie and Jiggs.

Bertha Walker will give her second annual concert in Carnegie Hall this spring.

Guess who is professor of French in Scottsville College, Tennessee? He is Mr. French Himself, James Scott.

A large modeling and charm school has just opened in New York, operated by Mary Colbert and Helen Jones. Two of their best models are Julia Wanzer and Ethel Carpenter.

You all remember Mable "Goose" Miller. Well, she is majoring in nursing at the University of California, and Deloris Shirley is her roommate.

Bulletin! William Phillips and Virginia Christian have finally decided to tie the knot. They will reside in Hawks Nest, North Carolina.

I just received a marriage invitation from Anthony White and Frances Jones.

The hottest dance partners to hit the Savoy Dance Hall in New York are-you guessed it-Frances Jackson and Robert S. Lewis.

Louise and Estelle Rucker are now teaching quietness at Carver.

Have you seen the latest dance number? It is called the Shelton-Robinson Rumba, named after its originators Polly Shelton and Arminta Robinson.

The next time you are in need of a beauty facial, stop in at the Orange Beauty Salon, which is managed by Havanna Johnson and Mary Marie Snead.

The latest gospel singers to hit the big time are the Madison Stars. The members of this famous group are Louise Wright, Betty Blakey, Marlene Mitchell and Tabetha Tibbs.

A new station wagon has just been purchased by Solomon Meney and his delightful wife, the former Ruth Brent, to transport their children.

In Hawks Foot, Alabama, a public library was recently opened for business by Lucille Ferris and Annie Lambert.

The Hill Sisters, Anna and Beatrice, are on tour in the East. Their most sensational number is "Two Old Crows on the Fence".

Evelyn Starks will render a musical program at the G. W. Carver auditorium this Friday.

A most outstanding typing student at Carver is Roberta Young. Of course, she would be nothing else because of her teachers, Evelyn Jones and Shirley Spottswood.

Have you eaten at the famous Red Heck Restaurant yet? The proprietors, Ruth Phillips and Lucy Warner, and the head waiters, Daniel Minor and Robert Johnson, are waiting for your order.

Starring in the new Broadway Musical, "Come Where There's Music", are Deloris Yager, Elsie Lindsay and Cynthia Smith.

Thelma Mickey is now preparing to swim the English Channel in the early spring.

The first medal given to William Shermson and Jefferson Brown by the Salvation Army was the Distinguished Medal of Chicken Stealing.

Richard Slaughter and Johnnie Yager are football coaches at Virginia State College.

While going through Death's Creek, I stopped at a grocery store, where James White and Beure Jackson were clerks.

Teaching Home Economics at Carver are Elizabeth Woolen and Lucille Carey.

It seems that the floors at Carver get swept once a month and the windows washed at Christmas. The janitors are Fred Poindexter and Robert Simpson.

If you live in the vicinity of Washington, Virginia, stay on the sidewalk at all times because here come John Barbour and William Noakes in a flashy yellow convertible Cadillac.

The Brooklyn Dodgers, bless them, are still losing. Can it be because of their two new players, Samuel Glasker and McKinley Dennis?

Who, other than Annette Lovell, is playing opposite Clifford Jackson in the new MGM picture "The Pursuit of Happiness"?

Attention! All sports lovers! Harold Greene is the heavy weight champion of the world, as announced by his manager, Archie Kenny.

On your way home stop and eat at John Gales' Snack Bar. His speciality for today is fried rat tails on toast.
